

Exam 1 Corrections

BIOE 498/598 PJ

Spring 2022

You have the option to correct Exam 1 and receive up to **four bonus points**. The requirements for corrections are:

- You must work individually on your corrections.
- You must correct all incorrect questions to receive any points.
- All corrected questions must be numbered. Clearly state your previous answer and your new answer.
- For multiple choice/select all questions, you must state why your previous answer was incorrect and why your new answer is correct.
- For fill in the blank/short answer, you must show your work (if applicable) or provide a justification for your new answer.
- Upload your corrections to Gradescope (“Exam 1 Corrections” assignment).
- Corrections are due **Friday, March 11, before 5pm**.
